COMMANDANT'S CORNER

There will be not meeting in November but we will have our Marine Corps Birthday Ball on November 10th at the VFW Hall if you have not ordered you tickets you may want to check with Coralee Berwick at 503 365-7771. Our next event will be the Albany Parade on November 11th so far it seems we only have one person who will have a uniform and represent us in the parade is Angelique and Delmer attended the parade meeting and also has volunteered his time. Our second event for November is the Keizer Event was we are going to give away Christmas items and request donations. It has been a very busy schedule for many members of the League and I want to Thank You for all the time and effort in making things happen. We continue to grow with our newest member being Wayne Bass who signed up doing our last Garage Sale. With donation still coming in it has become very obvious that any event we have we need good newspaper coverage and advertising to make things happen. On Thursdays October 19th several of us got together at Terry's house to pack up more Sun Glasses to send to the troops overseas and Pizza that was Great!!!!. I want to thank Terry his wife Genie, Mark, my wife Barbara for all the help.

We will have a new challenge we just received word back from Sgt Maj. Mennig with 2nd Lar and they would like 2000 Sunglasses for their troop in Iraq, this is a big order and may take some major donations from some major companies. I look forward to seeing everyone at the Birthday Ball.

Semper Fi,

Wayne
